

Customer Complaint Report

Complaint ID: CPT-2026-0891

Date Received: July 27, 2026

Complaint Source: Zenith Life Sciences - QA Department

PRODUCT DETAILS:

Product Name: Metformin hydrochloride API

Product Strength/Grade: IP/BP

Batch/Lot Number: MFH260712A

Manufacturing Date: May 2026

Expiry Date: April 2029

Affected Quantity: 50 kg (2 HDPE drums)

COMPLAINT DESCRIPTION:

During incoming material inspection at our facility, the drums were found to contain hardened lumps instead of free-flowing powder. The material fails to meet the physical appearance specifications and cannot be used for our formulation process.

Please investigate the root cause (suspected moisture exposure during transit) and initiate the replacement process immediately.
